T-BOLT BAND CLAMPS

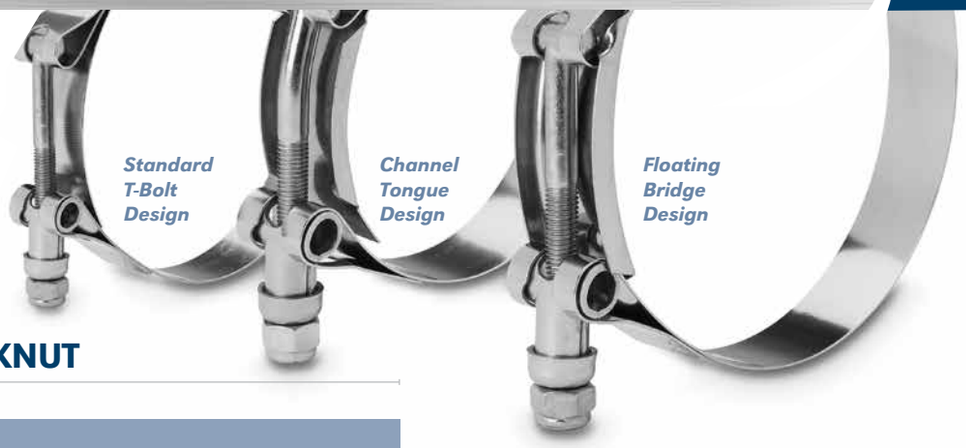
Standard/Stock Items

Ready to Deliver!

Our Most Popular 300 Series Stainless Steel T-Bolt Band Clamps in Standard T-Bolt, Channel Tongue and Floating Bridge styles.

Clampco T-Bolt Band Clamps provide leak-proof connections in a wide variety of industrial, commercial and military applications. We manufacture our clamps from 300 series stainless steel with rounded band edges to protect soft hose materials. Our T-Bolt Band Clamps provide high tensile strength, durability and corrosion resistance. They are the perfect choice for medium and heavy-duty applications.

Clampco T-Bolt Band Clamps are frequently installed on coolant and air-intake systems for construction vehicle, truck and bus engines. They are also widely used on duct systems, baghouse filters, irrigation systems, medical equipment, precleaners and more.



94100, 941RC, and 94170 Series
Band 0.025 in. Thick x 0.75 in. Wide

ZINC PLATED T-BOLT AND LOCKNUT
